7 P.M. WEDNESDAY, PARAMUS

ANYONE'S SON

Starline Films hosts a showing of its latest movie, "Harry ... A Communication Breakdown." The Danny Aiello-narrated documentary covers a grisly Bergen County murder.

TELL ME MORE: The movie is a look back at those tragic moments in 1976, when Harry De La Roche Jr. murdered four members of his family in Montvale. The film includes an on-camera interview with De La Roche, who is still in prison for those 32-year-old crimes.

Starline Films will screen the film Wednesday at a pricey event at Chakra in Paramus. It will include appearances by both Aiello and Starline Films founder Jon Doscher. A Woodcliff Lake resident, Doscher is hoping to make the story that inspired this documentary into a feature film titled "Anyone's Son." His other documentary, "4Chosen," a look at an infamous racial-profiling case on the New Jersey Turnpike, won a share of the "Best Documentary - Short" award at this year's Garden State Film Festival.

Jon Doscher

Celebrity arrivals will begin at 6:30 p.m. The price includes top shelf open bar from 7 to 11 p.m. and passed hors d'oeuvres. The film is scheduled for 9 p.m.

QUOTE: "The story warrants being told and is timely considering that similar incidents have compounded this international epidemic, such as the recent shootings at Virginia Tech." — Jon Doscher, in a statement

DETAILS: Chakra, 144 Route 4 East, Paramus; 201-818-7827, extension 202. Tickets are \$150.
